THE CANADIAN PHILATELIC REVIEW

VOL. 4 NO. 6 APRIL 10, 1899. WHOLE NO. 24.

CONCEIT.

A little dog barked at the big, round moon,
That smiled in the evening sky,
And the neighbours smote him with rocks and shoon;
But still he continued his rageful tune,
And he barked till his throat was dry.

The little dog bounced like a rubber ball,
For his anger quite drove him wild;
And he said, "I'm a terror, although I am small,
And I dare you, you impudent fellow, to fall;"
But the moon only smiled and smiled.

Then the little dog barked at a terrible rate;
But he challenged the moon in vain,
For as calmly and slow as the workings of fate,
The moon moved along in a manner sedate,
And smiled at the dog in disdain.

But soon 'neath a hill that obstructed the west,
The moon sank out of his sight,
And it smiled as it slowly dropped under the crest;
But the little dog said, as he lay down to rest:
"Well, I scared it away, all right."

—Selected.

How happy compositors would be if copy sent in for printers was only plainly written and properly punctuated.

RANDOM SHOTS.

BY CRESCENT.

There is likely to be a postal note system or an issue of fractional currency in the neighboring Republic soon.

The Canada 2c purple current is appearing in two distinct shades. Most collectors are overlooking this in their wild chases after "lavenders" and 3c envelopes. The 2c U. S. current also appears in shades.

The color of the 2c Newfoundland, current, is not carmine, but orange-red, at least Edmund L. Smiley says so in the *Eastern Philatelist*. Just here let we ask, would it not be a good idea to have a color chart printed in the back of the standard catalogue and album?

The following companies are using private proprietaries of the affixed denominations:

Lamman & Kemp, ½ green.
Lamman & Kemp, 1½ brown.
Lamman & Kemp, 1½ blue.
Centaur Co., 1½ black.
Piso Co., ½ blue.
Radway Co., ½ blue.
Branco Bros., 4c black.
Johnson & Johnson, ½ red.
Chas. H. Fletcher, 1½ red.
Haslptter & Co., 2½ red.

I understand that the above concerns will not sell any of these stamps to collectors.

Canadian Philatelic Review.

Published on the 10th and 25th of each month.

FINDLAY I. WEAVER, EDITOR AND PUBLISHER, BERLIN, ONT.

Subscription price 1 year 25 cts., 6 months 15 cts. 3 months 10 cts. Advertising Rates: 25 cts. per inch, 45 cts per 2 inches, 60 cts. per ¼ page, $1.00 per ½ page and 1.50 per page. Reading notice 5c per line. Terms cash with copy. Reliable ad. and sub. agents wanted everywhere.

EDITORIAL IMPRESSIONS.

AN APOLOGY.

Although we have done our best to appear on time we feel that we owe our readers an apology for not appearing regularly. We had copy ready in plenty of time to have an issue out on March 10th, but our printers said they simply could not get another number out for a month. This necessitated a change of printers, which, coupled with the publisher's removal to Hamilton, caused the delay. We shall, however, do our utmost to appear regularly hereafter and hope our readers will overlook any annoyance caused by this and assure them that they were not the only ones annoyed.

OUR REMOVAL.

As you will undoubtedly have noticed the REVIEW is now issued from Hamilton. This is not however a permanent removal, as we expect to return to good old Berlin about June 1st. Until then all correspondence should be addressed to Room 3, Merchants Hotel.

SENSE AND NONSENSE.

There are several dealers in high standing who owe us *"a few"* for ad. space. We hate to show them up, but will have to unless they settle up shortly.

We have been seriously thinking of taking a trip to Pueblo and "knocking the plaster off Bro. Osgoods slats" if he doesn't soon begin exchanging a copy of his yellow Philatelic journal with the REVIEW.

The Lone Star State Phil., warmly supported by the Virginia Phil., proposes that a combination among Philatelic Publishers be formed to demand cash in advance from all advertisers in their papers. This is certainly needed and the REVIEW can be counted in the combination.

A debate, the subject of which is: Resolved that it is more desirable to collect used stamps than unused, is to be held at the Hamilton Stamp Club, on Friday, April 14th, a full report of which will be given in our next issue.

In our last issue we announced that we would issue a large 40 page issue on May 10th, but we will have to postpone issuing so large a number until some future date. However we *will* issue a fine number on that date and would say to advertisers that it will pay them to be represented in it. Usual ad. rates in force.
